331m²

1,075m²

New Build Villa in Altea The villa is a part of the rock. As if it is a private island with an unobstructed and spectacular view of the bay of Altea Hills, which is surrounded by beautiful nature. Intimacy was going to be the most important part. Carefully selected materials ensure a balance between exterior and interior. The warmth of the wooden elements in combination with the soft text...(Ask for More Details!)
