442m<sup>2</sup>

167m<sup>2</sup>

N/A

When you know that the average size of a town house in the UK and Europe is 105m<sup>2</sup>, you can begin to imagine the size and potential of this imposing building. 442m<sup>2</sup>, spread over 6 floors (plus a basement garage), ready to be brought back to life. The main building, which fronts onto the main town square is entered via a traditional Andalusian vestibule and through double doors into the liv...(Ask for More Details!)
