120m²

267m²

These fantastic houses are covered with natural stone for minimal maintenance, the double height of the living room and large windows provide a lot of natural light. Each house has its own plot with its own garden, terrace and pool, the latter is optional. Parking on the plot. Blinds are made of high quality aluminum, blue-gray color. The lighting will be of the LED type, both indoors an...(Ask for More Details!)
