627m²

11,559m²

A Mediterranean villa for those seeking something that is no longer easily found. In Daya Vieja, surrounded by vast expanses of farmland and away from the pace of more urbanized areas, we find a truly unique property. A Spanish Mediterranean-style villa, built in 1960 and set on a plot of 11,559 m². A space where the dimension of the property completely changes the feeling of living in i...(Ask for More Details!)
