206m²

824m²

Tucked away in the sought-after Balcón al Mar area of Jávea, this Mediterranean-style villa offers the space, privacy and flexibility that make it equally suited to full-time living or a relaxed holiday base by the sea. For Dutch buyers looking for a property that can adapt to different needs, this is a home worth serious consideration. Built across two floors, the villa totals 206 m² on ...
